# LOCATION

---

## Estepona, Málaga

A strategic destination on the Costa del Sol, Estepona has established itself as one of the municipalities with the greatest economic and tourism potential in southern Spain. With over 20 kilometers of coastline, a privileged climate, and robust urban and business growth, the city has become an ideal location for both investment and the development of residential, commercial, and service projects.

# PROJECT

---

Nyra Residences is an exclusive development of 81 homes, where every detail has been carefully considered to offer a truly unique living experience. Its 2- and 3-bedroom apartments combine luxury, comfort, and contemporary design, creating an exceptional lifestyle in one of the most desirable locations on the Costa del Sol.

Immerse yourself in an environment designed for well-being. Nyra Residences features a gym, spa, and spectacular common areas, including a large swimming pool surrounded by lush gardens, ideal for disconnecting and enjoying the tranquility of the surroundings.

Built to the highest standards, each room impresses with its elegance and functionality. Spacious terraces, private solariums, and, in the ground-floor apartments, exclusive gardens and swimming pools that become true personal oases.

# SITE PLAN

---

In the heart of Estepona's new exclusive area, next to Guadalmina and minutes from Marbella and Puerto Banús.

# GROUND FLOOR PLAN

## DESIGN

- **Architectural design:** Stepped layout that favors privacy and panoramic views.

## COMMON AREAS

- Central swimming pool with an irregular design, integrated with landscaped areas and sunbathing areas.
- Children's area next to the rest areas, designed for family enjoyment.
- Large green areas with pedestrian paths and meeting spaces.
- Covered and uncovered community areas for social and leisure activities.
- Landscape design that combines native vegetation with open spaces, promoting sustainability and climate comfort.

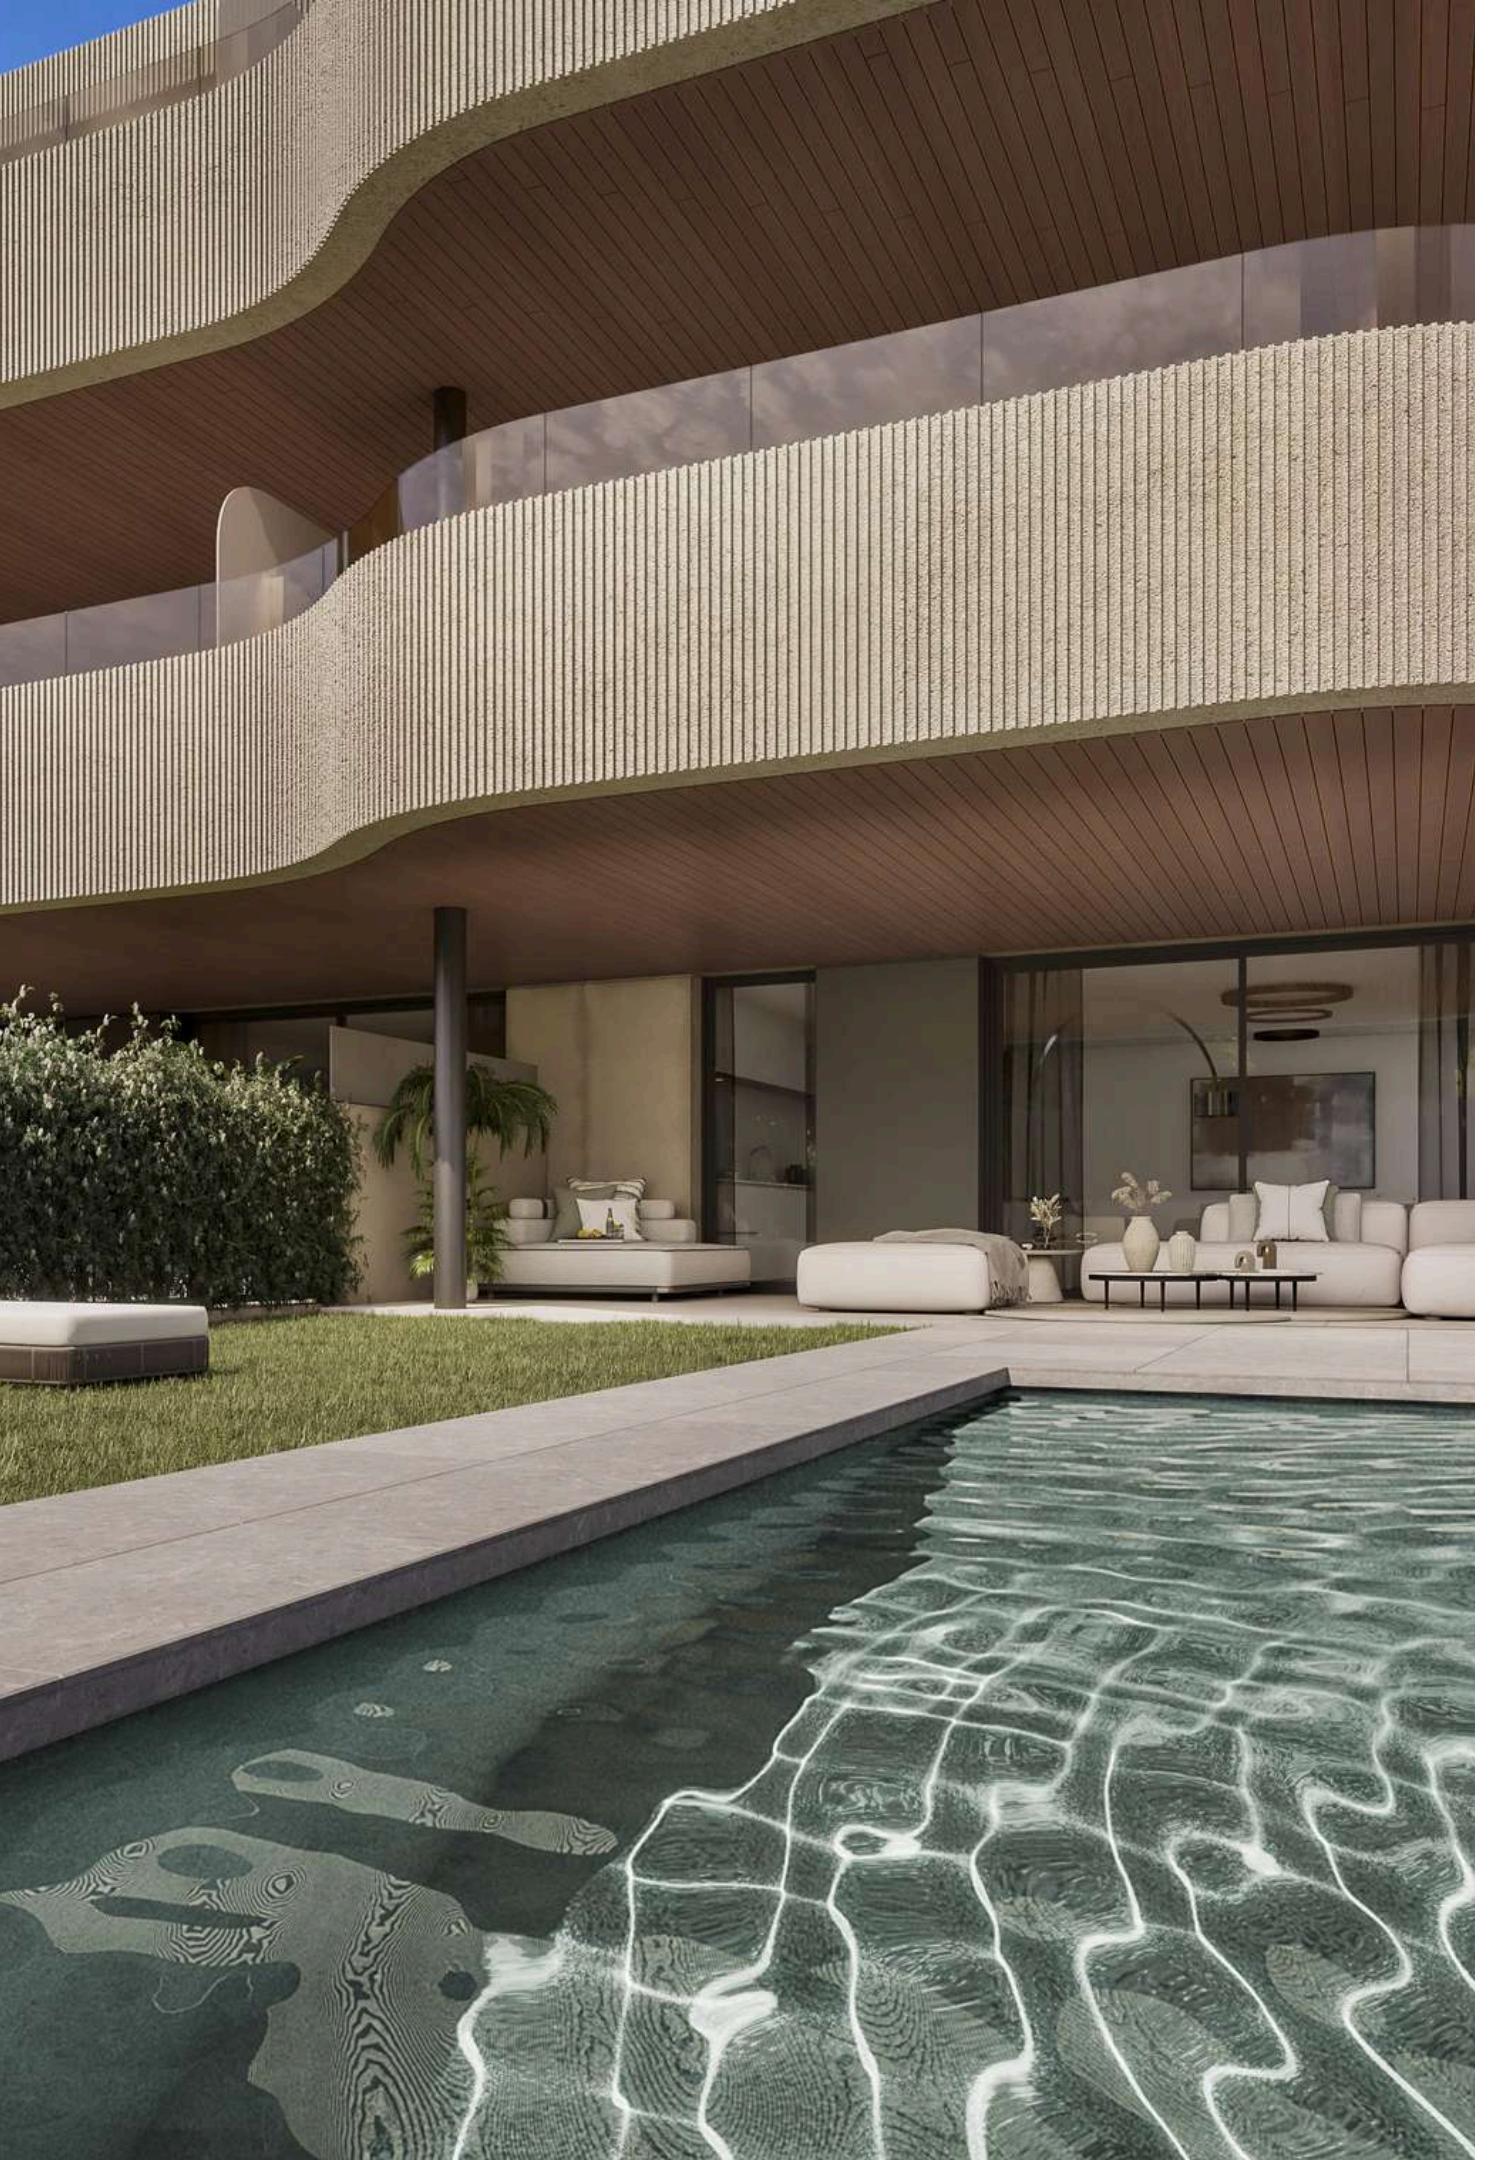

## ACCESS AND CONNECTIVITY

- Main entrance with pedestrian and vehicle access control.
- **Direct connection to the main road and proximity to local services.**
- Strategically located underground garage.
